"Come to Me All Who Are Weary"

Come to me, all you who are weary and are carrying heavy burdens, and I will give you rest. Take my yoke upon you, and learn from me, for I am gentle and humble in heart, and you will find rest for your souls. For my yoke is easy, and my burden is light. (Matthew 11:28-30, NRSVue)

Raise your hand if this sounds familiar: "Let's get together once we're on summer break!" Or maybe, "Once summer is here, I'll have time to tackle that project." Oh! What about, "Ah, summer is so nice and slow, so quiet and relaxing."

I used to think that summer was a slow season, or at the very least a *slower* season. Yet, as I write this, we are already looking ahead to the end of September. With autumn officially beginning on September 21, by the time you receive the next quarterly newsletter we will have already kicked off fall programming, returned to school, and maybe even planning our Halloween costumes.

Summer rushes by before it has even begun.

I think back to my own childhood, where summer was a wide open expanse. Days on end of unprogrammed time, broken up by the occasional family trip or summer camp. Most families I know now have their summers planned down to the last second, with camp and childcare registration starting as early as January of each year. Who has time to slow down?

I wish I had an easy fix for the busyness of modern life. Some way for us to do it all, have it all, and still find time to genuinely rest and relax.

Many of us are so tired right now. More than just tired—we are weary. Bone-deep exhaustion weighing us down as we try to go about our days. The list of reasons why is long, but those reasons don't quite solve the weariness themselves.

So while I do not have an easy fix, I do have these words from Jesus.

> *28 Come to me, all you who are struggling hard and carrying heavy loads, and I will give you rest. 29 Put on my yoke, and learn from me. I m gentle and humble. And you will find rest for yourselves. 30 My yoke is easy to bear, and my burden is light. (Matthew 11:28-30, CEB)*

The words sound easy enough—give it all to Jesus!—but we know that in practice this can seem impossible. Who will make sure everything is done, taken care of, ready to go if we give our cares to Jesus? Who will fix the problems in our kids' lives, at work, at home, or even at church if we give it Jesus? **Looks around** Jesus isn't here, how's he going to make the appointments and pack the lunches and mow the lawn and prep for worship and and and and…

~ Pastor's Pen continued on Pg 2 ~

Stewardship of our time points us to give more of our valuable, precious time to God. To turn to God in prayer and to read scripture, to prioritize worship and bible study, to slow down and breathe. I do not say this to be dismissive, but as a reminder even for my own eldest daughter self. God has never once failed me when I truly rely on God to make a way. Never. The more we practice trusting God, the more God shows us they're right there with us, the more we trust that God will always show up and provide for us.

I invite you to share your own stories of how turning to God and giving your burdens to Christ have been life-giving and soul-soothing. You can do this either by emailing me or sharing it with me in person—either at church or over a cup of coffee—and I'll highlight a story each time one is shared.

We cannot get more hours in our days, but God will give us rest and peace. His promises are never too good to be true, and God always—*always*—keep God's promises.

Yours in Christ,
Pr Jenna Pulkowski

Sunday School

Registration for our 2026-2027 Sunday School year opens on August 1. Keep an eye out in the Midweek Blast for the registration link. All kids 4 years old through 6th grade are welcome!

We're also looking for 2 more teachers. Our classes are shared between 2 teachers, so each person has 2 Sundays free a month, and gets to work with an awesome co-teacher!

Talk to CYF Director Jess Villa with questions (jess.villa@salcmundelein.org) or Pr Jenna.

Confirmation

Calling all 7th graders! We have a new group of incoming students, and we're so excited to have your child in Confirmation this year. If your child is older than 7th grade, has not done Confirmation, and would *like* to do Confirmation this year: we'd love to have them!

We are still partnering with Grace and St. James Lutheran churches, and will continue to meet regularly at Grace in Libertyville on Sunday evenings, 6-7:30pm.

Confirmation Orientation is September 13 at 6pm at Grace, and is required for all youth and at least one parent.

Please reach out to Pr Jenna ASAP to let her know if you will be participating in Confirmation this year.

High School Youth Group

Summer 2027 is the next ELCA Youth Gathering. We will be partnering with--surprise!--Grace and St. James Lutheran (ok, so not *actually* a surprise).

Priority registration closes on October 21, and after that it becomes a lot harder to ensure we can be housed together if anyone adds on.

Youth Group details are being finalized and will be available by mid-August, but we will also meet regularly on Sunday nights at Grace, 6-7:30pm. We regularly have 5-6 high school youth from Grace and St. James, and we hope to keep growing St. Andrew's participation! Pr Jenna remains the main point of contact for any questions, or to volunteer with our Youth Group and support these awesome teens.

Growing in Faith

Sunday Christian Education for All

God invites us to be good soil, where God's word, grace, and love are nurtured and grow strong so that we produce 30, 60, 100-fold for God's kingdom.

Join your siblings in Christ as we nurture what God has sown in us, and Grow in Faith! Each week we will gather and grow through Bible studies, adult forums, ministry teams support, and intergenerational celebrations of our life of faith. Most Sundays will offer age-appropriate faith formation opportunities, with adults meeting in Nelson Hall, and Sunday school-aged kids meeting in the Sunday school main room.

August 2 through September 13 we will meet after our Summer Service. Then, beginning September 20, we will meet in between the 1st and 2nd worship services from 9:45am-10:30am.

Take a peek at what's coming up, and mark your calendars!

Year-Round Stewardship

From SALC's Stewardship Working Group (SWG)

Over the last year, we've spoken of a shift to a year-round stewardship model. You may still be asking, "yes, but *what does that mean?*"

Shifting to a year-round focus moves us away from only focusing on a 4-week fall campaign to a year-round, relationship-centered model. This shift reflects our belief that:

- Stewardship is a spiritual discipline, not a fundraising moment.
- People give more deeply when they feel connected to their church community.
- Stewardship includes time, talent, and treasure, expressed through worship, service, learning, and generosity.
- Ministry grows when people understand how their giving supports the work they love.

This aligns with the group's insight that: "When people have more connection...they are more likely to support the church's ministry through their time, talents, and treasures."

Our goal is for stewardship to be woven into every ministry, creating connection points that help us—the body of Christ at St. Andrew's!—to grow in our faith and generosity. Each ministry team is a part of the whole, just as each member of the church is part of the whole body of Christ. Our fellowship, faith formation, and faithfulness are a direct reflection of who God has made us to be, and we want to lift it up in every aspect of our life together.

We hear so many wonderful stories from you all about why St. Andrew's is meaningful to you and your families. From parents, who share how meaningful it is for them to see their kids thrive in Sunday school, serving in worship, and connecting with other families outside of their own.

From those who have limited mobility, whom our Caring in Action Team and Pr Jenna regularly visit, write to, and call to check in on so that no one falls through the cracks.

From the young couple looking for a new church home as they settle down and build their lives.

From our empty nesters who continue to share their time and talents, and the wonderful stories of their growing families—grandchildren, great nieces and nephews, and more.

When these areas of ministry impact your faith life, our hope and prayer is that you will consider how else God is inviting you to greater generosity of time, talents, and treasures so that what you love and care for *remains* here! We are happy to help you discern where you might share your talents, or to help setup automatic giving via Breeze.

And as always, we ask that you continue to pray and discern how God is inviting you to be part of the mission and ministries of St. Andrew's. We are so grateful for all the ways in which you already share your time, talents, and treasures.

Blessings,

QUILTERS

Your St. Andrew Quilters would like to sincerely thank YOU for your continued support of our ministry especially our recent Mother's Day celebration, blessing of our quilts and raffle. Your generous donations will help to defray the cost of shipping the quilts out, buying some extra supplies and two lucky folks get to enjoy one of the quilts for their own! We were able to raise just shy of $800! Your generosity helps to keep us "sewing"!

We wanted to reach our goal of "200"; we did it and completed "204"! This is fewer than we have been able to complete in the past; we truly miss some of the dedicated workers that used to join us each week and pray they will again be able to join us in the coming months!

When you are out and about this summer at garage and yard sales, look for good/used sheets that we can use as quilt backs. Queen and king sheets are the best but full flat will also work. Your donations are always graciously accepted. Also remember, more hands to do our work are always welcome! We do have fun while we are working! If you are interested, please contact Lyn Hayes or Judy Parriott. THANK YOU AGAIN AND MAY GOD BLESS YOU!

Baby Care Kits

"As part of Rally Day and God's Work, Our Hands Sunday on September 13, we are collecting brand new and very gently used items for our Baby Care Kits. These kits are a part of the Lutheran World Relief ministry, which is also who we send our quilts to. If you'd like to purchase items to be sent directly to the church, scan the QR code below or go to https://a.co/0cqgJazM. Each item has a sizing note on it--please pay attention before purchasing! If you are having trouble with the Wish List, please talk to Pr Jenna or Lyn Hayes."

Bee Corner

The Bees Have Moved In!

20,000 new neighbors

Author: Beekeeper Ami Frick

Late Tuesday evening, just after dark, beekeeper Ami Frick suited up in full protective gear for an important mission. The hive was carefully wrapped, taped...and then taped again! Once everything was secure, approximately 20,000 sleepy bees were loaded into the car for their 30-minute nighttime journey from Northfield to St. Andrew.

Driving with 20,000 passengers might make some people nervous, but we're happy to report that both the driver and every single bee arrived safely. The bees are officially home!

What makes this colony especially exciting is that these are survivor bees. Rather than being shipped in as a package from another state, these bees successfully survived a Midwest winter. Because they have already proven they can thrive through our local climate, their genetics are especially valuable and well-suited for life here.

Now the bees will spend the next several days settling into their new home and learning the neighborhood through what beekeepers call orientation flights. Already, we're seeing a steady stream of pollen being carried into the hive—likely thanks to the beautiful garden at St. Andrew! Before long, you'll notice another hive box being added as the colony grows stronger and needs more room.

We're delighted to welcome these tiny, hard-working creatures to St. Andrew. Be sure to stop by the apiary from time to time—you just might catch the ladies returning home with bright yellow pollen baskets full and a busy day behind them.

Welcome home, bees!

A Devotional for July/August

The Devotional:
Finding Peace in the Present

Scripture
"He says, 'Be still, and know that I am God; I will be exalted among the nations, I will be exalted in the earth.'" — Psalm 46:10

July Devotion
July is often the busiest, warmest month of the year. Between summer travel, family gatherings, and packed schedules, it is easy to let the fast pace of the season distract you. Even in the church calendar, we are in "Ordinary Time," a season meant for steady, faithful growth. In Psalm 46:10, the command to "be still" translates in Hebrew to raphah, which means to "let go," "relax," or "cease striving." It is an invitation to stop relying on your own strength and instead yield to the sovereignty of God. As you enjoy the sunshine and the fullness of summer, let it be a physical reminder to soak in the light of Christ's presence. Just as nature rests in the heat of the day, take a moment to quiet your soul. Whether you are on vacation or navigating your daily routine, give yourself permission to step back, let go of your burdens, and remember that He is in control.

Prayer
Lord, thank You for the blessings, warmth, and opportunities this season brings. When my schedule feels overwhelming and my mind is racing, help me to be still. Remind me to let go of my striving so I can rest in the quiet assurance of Your love and sovereignty. In Jesus' name, Amen.

August Devotion
August often brings a flurry of "getting ready"—preparing for school, wrapping up summer travel, or anticipating the busyness of fall. In the middle of this rushing, God invites us to pause. The Hebrew word for "be still" translates to letting go or relaxing your grip. God is already at work in your life, both in the vibrant moments of joy and the challenging seasons of waiting. You don't have to carry the weight of the world on your own shoulders. When you slow down and "be still," you create space to recognize His sovereignty, hear His voice, and receive the rest He offers.

Prayer
Lord, thank you for the gift of today. Forgive me for rushing past the moments of blessing you have placed right in front of me. Help me to let go of my anxieties, quiet my heart, and trust in your perfect guidance. Give me the strength I need for today, and the peace to rest in your care. In Jesus' name, Amen.
