

# Stewardship Basics

Motivated by our love of God to care for and use the resources God has entrusted to us.

**Stewardship of Time:** "Love the Lord your God with all your heart." We do this by putting God first in our lives, and spending time with God through prayer, worship, and bible study

**Stewardship of Talents:** "Love your neighbor as yourself." God's love is more than just words, but requires our action—not for our interests, but in the best interests of others.

**Stewardship of Treasures:** "For they gave according to their means, as I can testify, and beyond their means, of their own free will. but first they gave themselves to the Lord" (2 Corinthians 8:3-5).

## Why an annual commitment?

We know how much can change in a year, and an annual assessment helps us to best live out our faithfulness. You may have more or less time to share with church, or your financial situation may have increased or decreased. Committing through this card is how SALC invites you to share your commitment to God and our ministry together.
