### "The Gift of Communication"

When we think of “church”, we usually think of the building and the people--worship, fellowship, Bible study, etc.

But one of the most important aspects of our life as a faith community is communication! How, and how often, do we communicate what's happening at St. Andrew? With our regular midweek blast, we needed to update and adapt the monthly newsletter because our print communications are still essential. Plus, it's fun to get mail that isn't a bill (or junk).

This new edition of the SALC Newsletter continues the work of reimagining our communication. Our new format will be a quarterly newsletter that includes reflections on the previous 3 months at St. Andrew, that looks ahead to the next 3 months of programming and fellowship opportunities, shares a member or ministry spotlight, offers a "where are we at?" finance snapshot, and more. We are still moving the majority of our static, i.e. unchanging, information to the church website ([salcmundelein.org](http://salcmundelein.org)), and

working on the best way to get *that* information to those who are not internet users.

With a new format we get new challenges, so your feedback is especially useful at this time. We welcome your insights regarding the format, content, and distribution methods. Please talk with Anita or Pr Jenna.

We also ask that you help us to send the newsletter out on time by submitting your materials by their due date. We never want to leave your information out, but we cannot guarantee its inclusion if it's submitted past the due date. The due date will be the 1<sup>st</sup> of the 3<sup>rd</sup> month of the quarter, for the next quarter. So, June 1<sup>st</sup> is the due date for the 3<sup>rd</sup> quarter issue.

And please give a huge THANK YOU to Anita--this is a huge undertaking, and she's put a lot of time, thoughtfulness, and energy into making it happen!

Peace,  
Pr Jenna

# SALC Garden

## Garden Support Team!!!

Play in the dirt this summer!  
Dale Hamblin is coordinating a Garden Support Team to help throughout this next growing season. Please contact Dale at: dalehamblin48@yahoo.com and cc Pastor Jenna if you're interested in helping to keep the tasty produce and gorgeous flowers at their best.

### Ways to Help Garden from Home:

Starting May 1st save egg shells in zip lock bags please, smash them so takes up less room.

Starting May 6 Save all kitchen scraps, fruit, bad veggies, anything but fat, meat, and bones in a bucket.

PS: If you took a Snapdragon on Easter Sunday, Dale says you can plant them now!

## Live Streaming Services

We continue to have online services each Sunday at 10:45 am through our Facebook page and website. If you are unable to join us in person, join us from anywhere!

May 24 marks the return of St. Andrew's one worship service at 9:30am for the summer months. This is Memorial Day weekend AND Pentecost too. I (Pr Jenna) will also be out of town that weekend celebrating a beloved family member's new baby and providing support to her during this tender time. Pr Jean Duran, who covered for me while I was on leave after Teddy's birth, will bring the good news that Sunday.

While the time is shifting, our Sunday faith formation and fellowship cycles will not! See the lengthy update about what's shifting on Sunday mornings. (pg. 7)

### Meet Samaira & Parents!

One of the gifts of my role as the pastor has been getting to know our kids and being able to welcome their families and bring new families into our ministry. We recently welcomed Samaira, who is in 1st grade, and her parents Vikas and Bineeta, after they moved to the area. After visiting St. Andrew while looking for a new church home, they immediately jumped into our fellowship events (Sunday School **Valentine's Day Party** 2/15 & **Movie Night**) and I've had a blast getting to know them more!" Help me Welcome Samaira, Bineeta & Vikas into our SALC family!

## From the Office to the Apiary: A New Beekeeping Journey

My name is Ami Frick, and I am a brand-new beekeeper—but before we talk about bees, a little about how I got here.

I grew up in Des Moines, Iowa, where I spent many years in grassroots organizing and working in the United Methodist Church. In 2014, I moved to Illinois when my husband was stationed at Great Lakes. While his work has since taken him to Quantico, I chose to remain here because I truly love my work and community. At Lutheran Church of the Ascension in Northfield, I began as an office manager, but over the years my role has grown into event planning, communications, and ministry support. I've had the opportunity to serve the wider synod as well—helping plan Synod Assembly and working with leadership teams—which has deepened my appreciation for the connections that sustain our shared ministry.

With my children now grown and a bit more time on my hands, I've found new ways to stay engaged. Alongside my work, I enjoy painting, photography, and affordable housing advocacy in Lake County. And most recently, I've added something unexpected to that list: beekeeping.

It all started with a simple question last May: *what if we placed a beehive on church property?* With curiosity (and approval from insurance!), we said yes. Under the guidance of Master Beekeeper Robin Forde, a hive was installed at Ascension—and I was immediately captivated. Watching the bees work together with such purpose and precision was nothing short of amazing.

I began learning everything I could—taking classes, working alongside a mentor, and even joining the Wagner Farm 4-H Bee Team for hands-on experience. Like many new endeavors, it hasn't been without challenges. This past winter, we lost two of our three hives, a difficult but common reality in beekeeping. Still, the experience has only strengthened my desire to learn and continue.

Now, I'm preparing to take the next step: establishing my own hive here in Grayslake. I'm incredibly grateful for the warm welcome and support from this community as I begin this new chapter.

I'm also exploring ways to expand this work, partnering with synod staff to bring beehives to more congregations. It's a natural fit—beekeepers need space, and churches are uniquely positioned to care for creation in meaningful, tangible ways.

And the bees themselves? They offer a powerful reminder of what community can look like. A single honeybee produces only about 1/12 of a teaspoon of honey in her lifetime. It takes roughly 2 million flower visits to make just one pound of honey. Yet within a hive of tens of thousands, working together, something remarkable is created. Bees even communicate through movement—a “waggle dance” that directs others to sources of food.

Each bee does its small part, and together they create something far greater than themselves. Perhaps that's what drew me in.

Thank you for welcoming me—and now, my bees—into your community. You will be seeing me around and I will keep you all informed of what is happening in the St. Andrew Hive.

## Ministry Spotlight

### Finance Ministry Team

The Finance committee is responsible for establishing adequate financial practices and oversight for the church, including:

Establishing and managing a fiscally responsible and sound budget each year, conducting an annual audit of the church's financial books and records, and ensuring the use of donated funds for their intended purpose(s). This committee also maintains responsibility for managing church investments.

Current members of the committee are: Anastasia Carmona, Bruce Dir, Peter Schoenfield, Jonathan Fosdick, Joe Prescia, and Samantha (Sam) Martinez

The team meets every other month on the 4th Tuesday of the month at 7 pm at Tighthead Brewery, a locally owned craft beer brewery owned by our very own Bruce Dir. Our next meeting is on 5/26.

The team has completed an audit of 2025 financial records. Currently, we are conducting a shredding event to dispose of old financial records that are no longer needed, which is expected to conclude in the next 2 months.

## Financial Report

As of March 2026

### March 2026

Income	\$31,919.29
Expenses	\$29,538.39
Net Income	\$2,380.90

### 2026 YTD (through March 2026)

Income	\$90,738.75
Expenses	\$95,883.90
Net Income	-\$5,145.15

The full amount of the Synod grant for audio-visual equipment (\$15,900) was received as income in January and about \$13,400 has been spent as of the end of March.

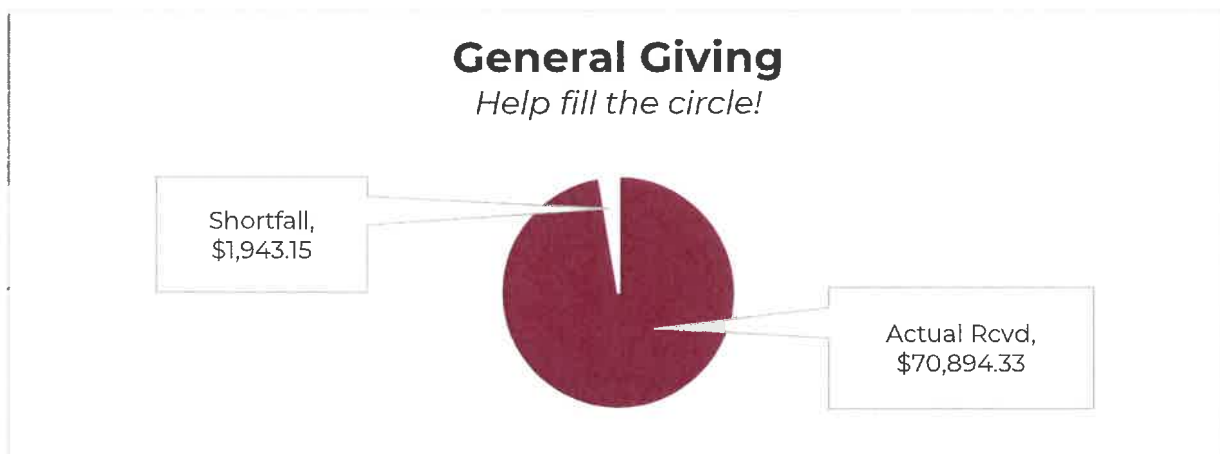

Expenses are slightly higher than budgeted for the year, due primarily to energy and water costs. These are expected to drop some during the year.

Regular giving improved significantly in March (thank you!) although we remain approximately \$2,000 under-budget for the year.

Please consider setting up an automatic, recurring offering through our online giving portal! Setup is easy and we would be happy to help.

### General giving

Goal (Budgeted through March)	\$72,837.48
Actual Rcvd	\$70,894.33

# “Sundays: Worship, Fellowship, and Faith Formation”

You know what one of my favorite things is about St. Andrew?

How much you all *love* one another. You care about each other, check in on those who have been sick or not present for a time, send cards, make phone calls, share meals and stories and inside jokes with each other.

Modern life makes that fellowship difficult though. We all have a million things to do during the week, and committing to another evening feels insurmountable for many of us.

For the last few years, leadership has wondered what to do with the time in-between worship services? We used to need that time for programming and worship-preparation, but that isn't the case anymore. Tia has done a wonderful job preparing, leading, and managing the Sunday adult bible study, but she's *one* person and we know we need something more sustainable.

What if each Sunday we use our time in-between services for something a bit different? Something that has intergenerational faith formation, children's programming, presentations from outside speakers, service projects, and bible studies? With each Sunday having a different emphasis, and consistent opportunities for adults *and* kids, so that everyone has a place?

We're working towards a schedule that remains the same each month, but offers a different opportunity each week. This might look like:

1<sup>st</sup> Sunday—Intergenerational\* Family Sunday

2<sup>nd</sup> Sunday—Bible Study

3<sup>rd</sup> Sunday—Ministry Committee Meetings (Service Team, Faith Formation Team, and any other teams that do not have a regularly schedule meeting time)

4<sup>th</sup> Sunday—Adult Forum

(5<sup>th</sup>) Sunday—Service Project Sunday

The Beekeeping Adult Forum was the first round of this approach. April 19 will be Ministry Committee Meetings, April 26 TBD, and May 3 will be an Intergen Family Sunday led by CYF Director, Jess Villa.

Our Faith Formation Team (which is looking for members!) will be responsible for inviting speakers, arranging Bible study leaders, and supporting the Intergen Family Sunday. Our Service Team will take the lead on the occasional 5<sup>th</sup> Sunday Service Project.

I'm so excited about this opportunity that is truly available for the whole congregation and is on a day that most of us are already planning to be at church! If you are excited and energized about this, I would love to talk with you—and hopefully get you plugged into supporting this part of our life together. Maybe this is exactly what God has been inviting you to be a part of!

The last thing we need is a name for this time each week—got any ideas???

So, mark your calendars for each Sunday from 9:45-10:30am (summer 10:45-11:30 after worship), and we'll see you at church.

Cheers,  
Pr Jenna

\* We use “family” to indicate that adults and kids will be together on these Sundays, but as a family of faith, all are welcome—not just households with children.
